

Dear Parents,

It was been wonderful to welcome the children back to school this week. It is always hard after a holiday to adjust to being back at school but they have settled into the routines of school quickly.

In the hope that the summer term brings sunshine and warmer weather please make sure children have a water bottle and a sun hat in school with them. Please also apply sun cream before they come to school, thank you.

Coronavirus Update

The Government has now ended free testing. Children who are unwell and have a high temperature should stay at home and avoid contact, where they can. They can return to school when they no longer have a high temperature and are well enough to do so.

Breakfast Club and After School Club Booking form

Please ensure all booking forms for this term have been handed in to the school office.

Swimming

The Meadow Class enjoyed their first swimming lesson and are looking forward to the lesson next week. Having now been swimming we are going to ask that the children come to school in their PE kits on Tuesdays so that changing is easier. We would also like to ask for children's swimming kit to be in a reusable shopping bag. This needs to be large enough in order that they can easily put all their clothes, shoes and towel in the bag after they have got ready for swimming as we now have to use lockers whilst in the pool. Thank you

Y5/6 Arts Day at QEGS

The children had a great day and enjoyed taking part in a variety of activities from music to dance and drama. It was lovely to see all our Year Three and Four children spending the day together at Marston as well!
