

The Garden Classroom

Spring Term 2018

Aladdin in Pantomime

We kick started our Spring Term with a trip to The Regency Theatre in Stoke-on-Trent to see Aladdin!

The Garden Class loved the 3D pantomime and found it highly entertaining. Here are some of our favourite bits:

I liked the part where he
chucked water over us. We
got so wet!

I liked the crocodile but
it was really scary with
the glasses on!

My favourite
part was when
Aladdin flew on
the carpet over
our heads.

Our Trips to the Gym

It was the Garden Classroom's turn to visit the gym in Uttoxeter. We enjoy going to the gym because we get to try new things that we wouldn't get the chance to try in school.

When we are at the gym we learn new skills and use lots of fun equipment, like the balance beams, bars and rings.

Dance Festival at QEGS

The children attended a dance festival at QEGS where they learnt and performed a dance routine alongside other local primary schools. We danced to one of our favourite songs and had lots of fun - thanks to the QEGS students who helped us!

Our first Joint Day with Long Lane!

The children from both Marston and Long Lane joined together to participate in our first joint event and it involved lots of problem solving!

I loved working with Long Lane today because I made new friends.

Some of the problems were really tricky but we worked together to solve them.

My favourite game was the penguin game because they kept falling off but we had to be patient.

I can't wait to see Long Lane again!
