**Parent Code of Conduct**

At MMPS and LLPS, we are very fortunate to have supportive and friendly parent bodies. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As part of that partnership our parents understand the importance of a good working relationship in order to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school. The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about their expected conduct. This is so we can all continue to flourish progress and achieve in an atmosphere of mutual understanding.

**We expect parents, carers and visitors to:**

- Respect the caring ethos of our schools
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help resolve any issues of concern.
- Avoid using staff as threats to admonish children's behaviour.

**In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:**

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, office, or any other area of the school grounds including team matches.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.
- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent/carer or pupil regardless of whether or not the behaviour constitutes a criminal offence.
- Damaging or destroying school property.
- Abusive or threatening e-mails or text/voicemail/phone messages or other written communication
- Defamation of the school or staff character on Facebook or other social networking sites.
- The use of physical aggression towards another adult or child. This includes physical punishment against your own child on school premises.
- Approaching someone else's child in order to discuss or chastise them because of their behaviour, please report their behaviour to a member of staff so that they can deal with the situation.
- Smoking and consumption of alcohol or other drugs whilst on school property.
- Dogs being brought on to school premises.

Should any of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from entering the school grounds. We trust that parents and carers will assist our school with the implementation of this policy and we thank you for your continuing support of the school.

**Please contact the school office if you would like to volunteer to be more involved in school life, be it as a parent helper, member of the Parent and Friends Association or School Governor. We value and welcome your contribution, however large or small.**
