As the weather seems to be improving please remember to send the children to school with a water bottle and a sun hat, thank you.

We want you to enjoy life and have fun – but we want you to be safe too.

There are a few simple steps you can take to stay safe while you're out and about.

- make sure your parents know where you are going and who you are with
- make sure your mobile is charged
- don't accept a lift from a stranger – get a taxi or ask your mum and dad to pick you up
- avoid short-cuts or dark alleys
- keep valuables like wallets and purses out of sight
- if you are approached or feel threatened find a place with lots of people, shout or scream loudly or knock on a door for help – you won't look stupid
- if you are attacked, don't keep it to yourself – ring the police, talk to someone you trust
- in an emergency tel: 999.'

INFORMATION FROM THE VILLAGE HALL COMMITTEE

Notice of Village Meeting and Ballot Marston Montgomery Coronation Hall

The Management Trustees of Marston Montgomery Coronation Hall invite the residents of the parish of Marston Montgomery to a meeting in the Coronation Hall on Wednesday 16th May 2018 from 7 – 7.30 p.m followed by a ballot between 7.30 – 9 p.m to establish the support for the following resolution:

Do you agree to the transfer of the existing Coronation Hall car park to Radmore, in exchange for a purpose built village hall, new car park and the land on which they will stand.

(ID with proof of address will be required to be eligible to vote, age 18 and over)

Background Information for Public Village Meeting and Ballot - Coronation Hall

It is well known that the structure of the hall has a limited lifespan and continues to deteriorate despite large sums having been spent in the past to effect repairs. In addition, the facility is no longer fit for the school to use; depriving pupils of additional facilities and significantly reducing the income needed to sustain the hall.

At present the hall is totally reliant on fundraising and donations as it fails to generate enough income for the upkeep.

In order to guarantee sustainability of a suitable community facility in the future for use by all the village organisations, school and the wider community the management committee have held discussions with rural agencies, the Charity Commission and specialist solicitors to establish a viable path forwards. After much consideration the management committee felt the best course of action was to revisit the proposal by Radmore which would gift a new village hall and car park in exchange for the current car park.

The outcome from the previous vote showed that a significant majority were in favour of this proposal. The management committee is bound by its constitution to work for the benefit of the community as a whole. With this in mind the management committee, with agreement from the Charity Commission, applied to amend the Coronation Hall constitution.

The Charity Commission agreed 'Under section 198 of the Charities Act 2011 to the amendment of the wording of the Charities existing letting or Sale clause, from three quarters to the majority as the only amendment'

This brings the constitution in line with standard voting policy of which we are all familiar.

The management committee remain committed to working hard towards the ongoing success of the Village hall and its support to the Community, it sees this proposal as a once in a lifetime offer that will benefit this and many generations for the future.

In order to remain an active and vibrant village community, the safe and fit-for-purpose facilities that this proposal will deliver are essential.

Only people aged 18 years or over and living in the parish of Marston Montgomery are eligible to vote so please be sure to bring along proof of address to the meeting/vote if you wish to participate.
