

## Meadow Class - Autumn Term (first half)

### HOMework TASKS

Choose one of the following projects, which are linked to our topic.

Work on it for the next four weeks. You may complete more than one project, if you wish.

Please bring this into school on Thursday 24<sup>th</sup> October.

#### History:

Choose one of the Egyptian pharaohs.

Produce an information poster about their lives and achievements.

#### Art:

Complete research about Egyptian death masks. Make a death mask using paper, card or other materials.

#### English:

Find out about Howard Carter and his discovery of Tutankhamun's tomb. Design and write a newspaper report about the discovery of the tomb.

#### Mathematics:

Research the Egyptian unit of measurement called the Cubit. Measure objects or distances, using Cubits. Construct a table of the measurements. Produce a bar chart of your measurements (on paper or on the computer). Display these on a poster, with information about the Cubit.
