

Dear Parents,

Please find below information for next week.

Year Six

A huge well done to all our Year 6 pupils at both schools who have handled this week well. They have been calm and taken it in their stride! You have all worked hard this year so that you were as ready as you could be to take the SATs. It is important to remember though that SATs don't measure everything that is unique about each one of you, we see these things every day in school and we are proud of every single one of you.
