

Spring Term 2022 - Update 6 – 18/02/22

Dear Parents,

Please find below the diary information for next week.

LLPS: Breakfast Club (BC)

Thank you for your understanding this week, with the changes to the start time for BC. I am unable to confirm until the weekend whether or not BC will start at 7:30am on Monday or at 8:15am. I will give you as much notice as I can, but this may be on Saturday or Sunday. As the week progresses, I will then give you a daily update as to the start times.

FOLL: Art Club

Following the cancellation of the Art Club on Monday 7th February it has been decided to move this to Monday 7th March and to cancel the Senses Club that was originally planned for that day. If your child was attending the original art club, they will automatically be moved to the new date. Refunds for the Senses Club will be sent out in due course.

25/02/22 - Federation Joint Day at Marston

If you haven't done so already, could you please return the permission slip (for Long Lane children), to the school office ASAP. Thank you.

We have had a few cases of covid at LLPS, and are asking you to take the following precautions on the joint day; **Long Lane parents**, please carry out a lateral flow device test in the morning, before your children come to school and keep any children who are unwell at home, **regardless of test results**. For info - tests are currently arriving the next day, when ordered via the NHS website.

When the children are together at Marston, we will continue with the protective measures we currently have in place (i.e. ventilation and regular washing hands).

Important – Road Closure Information (21/02/22 to 25/02/22)

Station Road in Micklegate, between Whistlestop Close and Onslow Road, will be closed next week (21/02/22 to 25/02/22). This will affect many of our families, please allow additional time and plan to take an alternative route so that children still arrive at school between 8:45am and 8:55am, in time for the start of our school day, thank you. Further information is provided below, -

Residents access:

- Onslow Road at its junction with Station Road will be closed to all traffic:

🏠 Access and exit for residents will be via Brisbane Road.

- Hackwood Grange, Spinneybrook Way, Starflower Way, Crystal Close, Lantern Grove + any other properties on the Micklegate FC / Great Northern side of the road works:

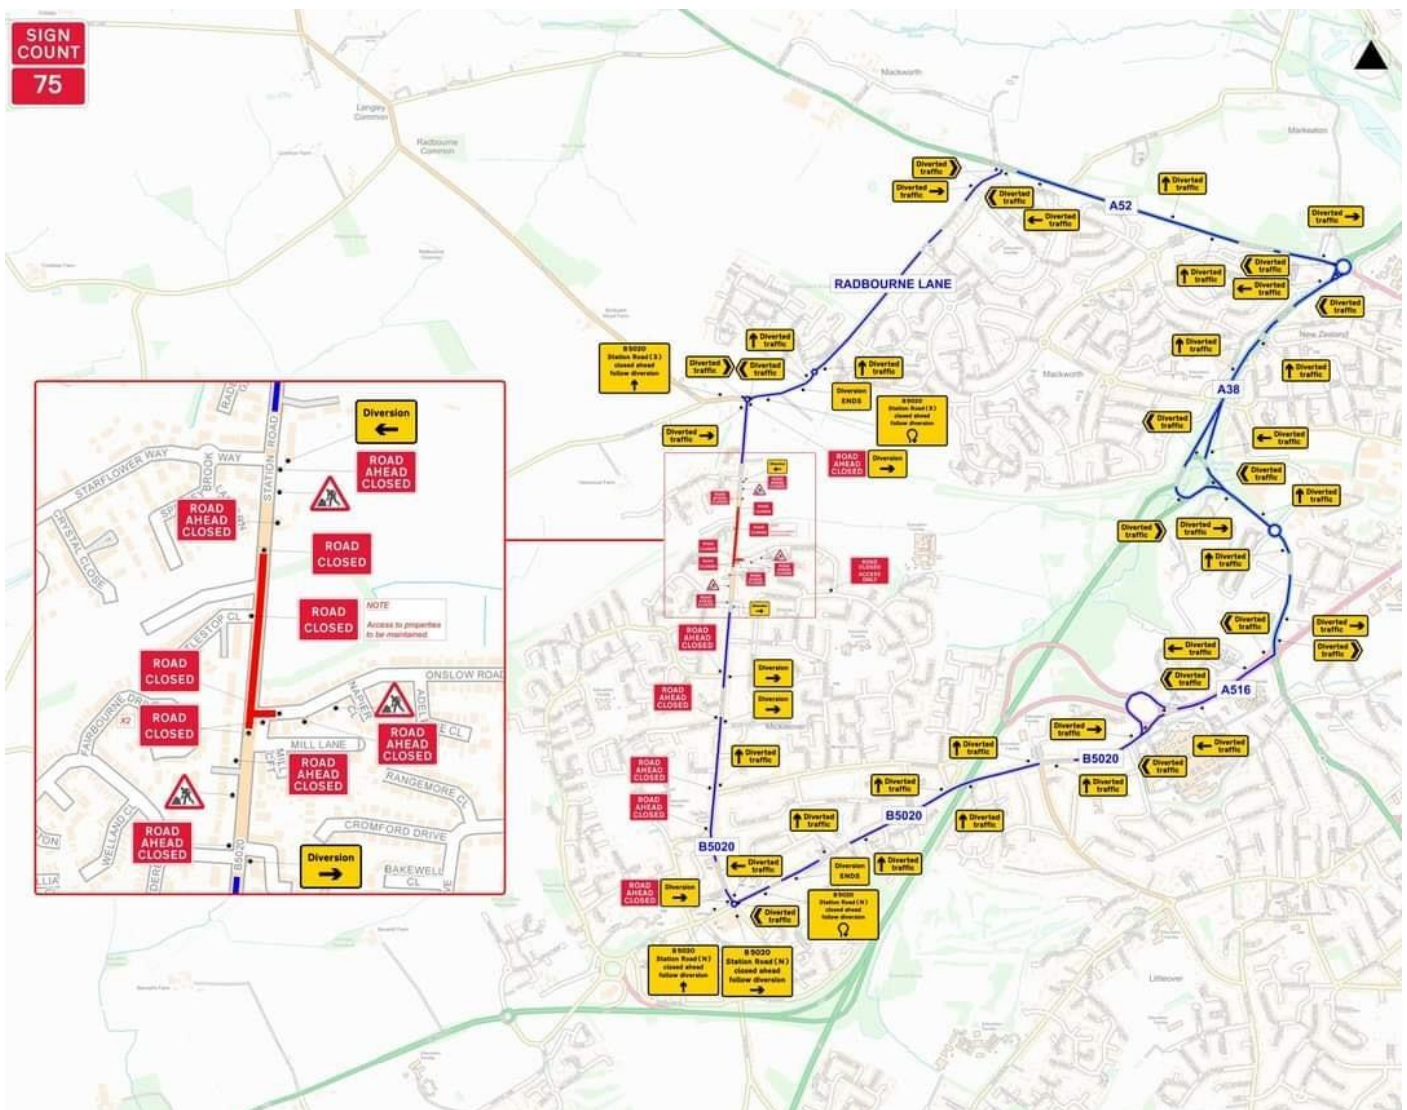

🏠 Access and exit will be via Station Road / Radbourne Lane.

■ Whistlestop Close & Mews Court (inside the road closure):

👉 Access and exit for residents via Station Road / Onslow Road side of the road works (subject to final confirmation). This will be controlled access with site workers (Chasetown) on hand to assist.

Diversions:

👉 Extensive diversion signage within Mickleover itself and surrounding areas will be in place early on Monday, prior to the road works commencing. We are discussing some finer detail with the council / Chasetown over the signage on Station Road to minimise general / non resident traffic arriving at the road closure.
